Hail, Alma Mater

Adapted from "Hail Buchtel"
of LOUISE MIGNIN,'16

1. Hail Alma Mater, Pride of our true hearts!
   Praises we sing to thee In joy or in strife.
   Live on in memory, Mother best beloved,
   Through all the golden years That crown us with life.

2. Mother most glorious, Star of our fond hope,
   Shine on, the light of lights Up on our way!
   Tributes to thee we bring: Hear the anthem swelling
   "Hail, Alma Mater, hail, Forever and aye!"
