Additions

Streaming Video Update

Streaming video content provided through the Governor's Emergency Education Relief (GEER) and OhioLINK is now live. Users will have access to expanded subjects in *Films On Demand* including nursing videos and a collection of world cinema movies. Additionally, a new platform named *Feature Films for Education* can now be accessed. This database contains feature films primarily produced by 20th Century Fox. This content can be used in all courses. Both *Films on Demand* and *Feature Films for Education* can be accessed via our A-Z database list at <https://libguides.uakron.edu/az.php?a=all>

Journals

Due to budget uncertainty, UL made the difficult decision to cancel a large portion of our journal subscriptions in the fall of 2020. Since then, our budget numbers have become finalized, we have renegotiated pricing with vendors for almost all of our resources, and we have realized stronger than anticipated savings through the statewide deals we participate in via OhioLINK. This budget and cost control work has allowed UL to reinvest in some key journals that were canceled back in the fall. While we cannot add back all of our lost journal subscriptions, we appreciate the faculty and department chairs providing feedback to us about the key journals to the learning, teaching, and research mission of UA.

The following e-journals/packages have been re-subscribed to:

- Royal Society of Chemistry Gold – This is an all published e-journals deal with RSC that provides many needed e-journals in several disciplines including Chemistry and Polymers.
- Nature Publishing Group titles
 - Nature
 - Nature Materials
 - Nature Chemistry
- JAMA: The Journal of the American Medical Association
- The New England Journal of Medicine
- Physics of Fluids

- Proceedings of the National Academy of Sciences of the United States of America (PNAS)
- Journal of Community Health Nursing
- Issues in Mental Health Nursing
- Applied and Environmental Microbiology
- The Royal Society titles
 - Royal Society Interface
 - Proceedings of the Royal Society B: Biological Sciences
 - Philosophical Transactions of the Royal Society B: Biological Sciences
- The Electrochemical Society (ECS) Digital Library
 - ECS Journal of Solid State Science & Technology
 - ECS Transactions
 - Journal of the Electrochemical Society
 - Electrochemical and Solid State Letters
 - ECS Electrochemistry Letters
 - ECS Solid State Letters

Databases

- Digital Treatise / Treatise on Invertebrate Paleontology – We have added this database/e-book resource to our collection. This resource provides direct course support and is funded through a joint partnership between UL and the Department of Geosciences.

Cancellations

While UL continues to work hard on cost control and budget management, some cancellations are still necessary at this time for us to be able to meet all of our commitments.

University Libraries will provide as much notice as possible when resources are to be discontinued in an effort to lessen disruption to our users. Reductions to library collections will continue to be shared via Digest updates and directly with departments. Additionally, University Libraries provides and archives a quarterly update of resource changes (this report) via IdeaExchange@UAkron.

Journals

- SIAM Journal on Applied Mathematics
- SIAM Journal on Mathematical Analysis
- American Economic Association journal package – Several of these titles are accessible in current resources including JSTOR and Business Source Complete.
