

### **Hail We Zippy**

*Leslie Bell*

The best joy that I had during my time at The University of Akron was graduating, and I was able to participate in commencement on two different occasions: once in 2006 with my Bachelor of Science in Political Science/Criminal Justice, and the other in 2010 with my Master of Arts in Higher Education Administration. The highlight was getting my picture taken with Zippy, and she has been a part of my life and a part of the living legacy of The University of Akron. Zippy is the most famous marsupial in the universe!
