

Dunaway Siblings
Barry Dunaway

Barry, '84, and Brett, '86, both graduated from the College of Business Administration. Beth, '89, received her B.S. in Dietetics, and Bruce, '95, has a B.S. in Engineering. In gratitude for the tuition remission they received as a result of their mother's employment at the University, they established the Barbara A. Dunaway scholarship in 2018 in her honor.
