MINUTES OF THE FACULTY SENATE MEETING OF

February 1, 2024

The meeting of the Faculty Senate took place Thursday, February 1, 2024, in Law School Room 180 and in Teams. Senate Chair Kate Budd called the meeting to order at 3:40 pm.

Of the current roster of 44 senators, 38 attended the meeting. Senators Bisconti, Gong, Pachnowski and Thomas were absent with notice. Senators Buldum and Yi were absent without notice.

I. Adoption of Agenda

The agenda was adopted by unanimous consent.

II. Adoption of minutes of December 7, 2023 meeting

The minutes were adopted by unanimous consent.

III. Remarks of the Chair

Welcome to the February meeting of senate, and the Spring semester 2024. It even feels a bit like spring today. Senators who wish to be recognized should hold up their name card. Be sure to hold it facing me and above the head of the person sitting in front of you. Use the mics on the tables when you speak, you will need to press the button to turn on the mic and then press the button again to shut the mic off when you are finished. Those attending virtually should type “request” into the chat window and wait to be recognized. When we vote, I’ll ask those present to say “aye” and those online to raise their virtual “hands” to be counted. Don’t forget to sign in on one of the attendance sheets circulating the room before you leave. If I mispronounce your name, let me know the correct pronunciation so I can do better next time.
Please be aware that both senate meetings and minutes are part of the public record.

I welcome Mr. Mark Lerner, with us from the Board of Trustees.

As we begin a new semester, I want to share a few reminders around student success.

As faculty, you are often the first one to see signs that a student is struggling. They may miss class, be late turning in assignments, have below average grades or seem isolated from the other students - or they may come directly to you for help. At UA, we have many resources to help students, so many that it can be difficult to navigate them all. Referring a student to the Help a Zip program is the best way to match a student to the resource they need. Links to the referral page are found at the bottom of every daily Digest, at the bottom of UA’s home page, and in My Akron.

If a student begins missing class, sometimes a friendly email from you to see if they are doing okay will get them back in the classroom. If it doesn’t, and you have a dedicated academic adviser, please alert them so they can find out if the student is having problems across multiple classes and intervene if necessary.

All of you know this, but please continue to do your best to get feedback and grades to students as promptly as you can. It should go without saying, but students need to know their grades to be successful. OAA has shared with us that students are urgently requesting that faculty utilize the grade books in Brightspace. It’s very easy to use, is highly adaptable to your personal grading methods, and there are training modules available for anything you’re not sure of. Even if you aren’t using Brightspace, please make sure to communicate feedback promptly in some other way, while being careful to maintain privacy.

I am continuously impressed by the dedication and depth of care that the faculty of the University of Akron show their students. Thank you for everything you are doing to ensure the success of our students.

The activity at the statehouse around Senate Bill 83 has gone quiet and it has been referred to the House Rules and Reference committee. We will, of course, continue to monitor it closely and keep you posted on how you can help influence its outcome should it move forward.

This concludes the remarks of the chair.
IV. Special Announcements

None.

V. Report of the Executive Committee

The Senate-EC met with Provost Wiencek and Senior Vice Provost Price. We discussed enrollment, vacant leadership positions, and goals for the upcoming year.

The Senate-EC has also updated the senate by-laws and bring those for your review with a planned vote at the March senate meeting.

Chair Budd reviewed the changes to the bylaws and invited discussion (Appendix A). Senator Evans pointed out that the bylaws don’t refer to the provost consistently. Changes will be brought to the March senate meeting.

For more information on these discussions, please contact Angela Hartsock.

XII. Remarks of the Provost

Provost Wiencek greeted senators and pointed toward great strides in shared governance since 2020.

Workday Student: Implementation of WorkDay Student is progressing and hitting milestones. A mock semester event will take place on February 7, 2024. A soft launch is planned for mid-March with a full go-live on April 1st. The provost is pleased with IT responsiveness and will have Enrollment Management and the Registrar helping as well. He invited senators to contact OAA if issues are not being resolved through normal avenues.

Eclipse Day: With millions of people anticipated to converge on NE Ohio, the university is anticipating disruptions. UA classes will go remote for that day; additional clarification will be forthcoming for staff opportunities to work remote.

Enrollment: Everyone is concerned about FAFSA delays and the impact on student decisions. This is anticipated to have cascading effects on institutions. For confirmations to date, numbers are up several percent. The provost expressed optimism. The provost extended gratitude to the enrollment
management team and IT for the attention given to data and software packages during the enrollment cycle. Slate is a big advantage and provides us with a state-of-the-art customizable enrollment management approach. The license allows access to anyone, with appropriate training, faculty can track recruits.

AIC: The annual budget process is moving forward. Funding requests have been received; the committee is reviewing benchmark data. The amount of money for reallocation is modest compared to last year and will result in a more modest approach considering the higher investment last year. The provost reminded senators that this budget process is reallocating existing resources (this is not new money). This is money from all units that report to provost; needs will be prioritized, and some positions will not get filled.

Workgroups: The provost noted current workgroups focused on part-time faculty and course evaluations; he looks forward to the output from those groups.

Chair Budd invited questions for the provost.

Senator Rochester asked for an update on Polsky renovations and specifically referenced no working elevators.

The provost acknowledged this as a fair observation and that VP Operations Jill Bautista is aware of issues with sporadic elevator access. He assured senators he would pass the comment on to President Miller and VP Operations Bautista.

Senator Rochester asked about updates to occupancy.

Provost Wiencek deferred to President Miller and Chief of Staff Levy and noted that the Myers School of Art is in discussions for use of the space.

XIII. Committee Reports

Curriculum Review Committee – Linda Saliga

With WorkDay changes, there will be a change in how special topic courses are scheduled. Additional information will be shared with senators and chairs.
CRC brought 22 program proposals and 29 course proposals for approval (Appendix B). With no debate, the motion was approved unanimously.

XIV. Akron AAUP Report – Senator Bisconti

(report given by Senator Schulze)

Senator Bisconti will be reaching out to arrange the day in the life of a faculty member for a Trustee guest on campus. Senator Schulze invited Senator Evans to provide information from LMPC, Senator Evans explained that the LMPC continues to work on workload policies and hopes to finish the shared governance MOU. OAA has posted all workload policies on the OAA website.

IX. Graduate Council Report – Senator Srinivasan

Senator Srinivasan presented three documents to the senate.

**Item 1: Graduate student assistantship, 3359-60-06.6 (Appendix C)**

Changes include clarification of the terminology around graduate assistantships, English proficiency, the impact of outside fellowships on assistantship eligibility, and what is covered by tuition remission.

Language was included to clarify that for graduate students who take classes not required for their degree, those classes and associated fees will not be covered by tuition remission.

Chair Budd called for debate on the motion to approve the changes to the rule for graduate student assistantships.

Senator Klein and Senator Triece asked for clarification on whether non-graduate level courses that contribute to the student’s development or progress could be counted in the tuition remission. Senator Klein requested to explore the possibility of a petition to cover needed undergraduate coursework for graduate programs. Dean Bausch indicated there was not currently a policy allowing that. For future consideration, Senator Klein wished to state for the record the need for graduate students to, in some circumstances, take undergraduate courses and that those courses should be
covered by tuition remission or scholarships. SVP Price has some ideas for ways to address this and invited Senator Klein to continue the conversation outside of the senate.

Senator Abousena asked about the possibility of a student who has graduated with a bachelor’s degree to then take additional coursework as a graduate student that would contribute toward completion of an undergraduate minor. SVP Price and Dean Bausch indicated that was not possible. SVP Price stated she would check into the rules and possible flexibility.

Senator Sterns spoke to the need for graduate certificates and support of graduate certificates that encourage multidisciplinary.

**Item 2: Grievance procedure for graduate students, 3359-24-02 (Appendix D)**

Senator Srinivasan detailed the proposed changes, Chair Budd called for debate on the motion.

Senator Sterns and Senator Triece spoke to the value of having a grievance committee. Dean Bausch clarified that the intent was not to remove the grievance committee but to make the process flexible. Provost Wiencek suggested adding language to allow formation of a grievance committee at the provost’s discretion. Dean Bausch pointed out that a grievance committee in some cases would not be allowed (HR-related matters, etc.) and that would be explained to the student. Senator Srinivasan made a motion to amend the language around formation of a grievance committee and finality of the provost’s decision. Senator Lee motioned the rule be referred to the executive committee to finalize the language to be brought forward at the next meeting. The motion passed.

**Item 3: Graduate assistantship contract (Appendix E)**

Dean Bausch explained that the contract language previously appeared in multiple locations and the document under consideration is an attempt to consolidate the language into one document that is consistent with the board rule. The motion passed.

GSG has been very busy during the first few weeks of the spring semester. Last week, we held our January meeting with all of our members. Two highlights from this include, swearing in our

The purpose of these Taskforces is to continue our work across campus and serving the needs of our constituents more efficiently by collecting student input.

Upcoming, we will be working on our spring elections and collaborating with USG on programming.

3359-60-06.6  Graduate student assistantships.

(A) Financial assistance.

(1) The office of academic affairs (OAA) and/or the graduate school award teaching and research assistantships to qualified graduate students to render service to the university through undergraduate teaching and research, respectively. OAA/graduate school funded assistantships are awarded for up to two years of master's study, up to five years of doctoral degree study, and up to five years of master's/doctoral degree study. No student should expect to receive a university-funded teaching or research assistantship for more than five years. Individual university units may fully fund and award administrative graduate assistantships to perform other duties. For information and/or applications, the student should contact the head of the department. Tuition scholarships are also available on a limited basis in some departments.

(2) Section 3345.281 of the Revised Code requires that each state university establish a program to assess oral English language proficiency of teaching assistants providing classroom instruction to students. The University of Akron has adopted such a program, to ensure that students are not appointed as teaching assistants until they document oral proficiency in the English language. For further information with regard to this program, applicants are advised to contact the graduate school of the University of Akron.

(3) Fellowships sponsored by external entities may impact assistantship eligibility, the number of hours a student can work on an assistantship, and/or the level of financial assistance a student is eligible to receive. Information on fellowships can be obtained from the department headed.

(4) Financial assistance through graduate assistantships may impact the level of financial aid eligibility. Information about student loans and other forms of financial aid can be obtained from the office of student financial aid.

(B) Remission for tuition and fees.

The university shall provide remission for graduate tuition and non-resident surcharge, for up to the amount or number of credits stated on the assistantship contract during each semester of award period. Remission is not provided for audited courses, undergraduate courses, graduate courses not required for the graduate degree, repeated courses, or any fees.

Teaching and research assistantships (stipend and/or tuition remission) will not be awarded after the 14th day of any semester.

(C) Repayment of graduate assistantships upon resignation.

Recurring payment of an assistantship stipend will stop upon resignation or termination of an assistantship. The graduate assistantship recipient is not required to repay any tuition remission if they withdraw from all classes at the time of resignation. However, if they continue as an enrolled graduate student at the University of Akron after resignation from the assistantship,
then they must repay the tuition remission based on a percentage of the number of weeks remaining in the semester or summer session.

Example:

(1) If the student resigns in the ninth week of a sixteen-week semester, the repayment will be seven-sixteenths or forty-four per cent of the tuition required in that semester.

(2) If the student resigns in the second week of a five-week summer session, the repayment will be three-fifths or sixty per cent of the tuition required in that summer session.

(D) Important stipulations:

(1) If the graduate assistantship recipient drops below the minimum required graduate credits at any time during the contract period for services, the assistantship is forfeited.

(2) No refunds will be made to any student for tuition paid for terms prior to the beginning of the assistantship.

3359-24-02   Grievance procedure for graduate students.

(A) Purpose.

The procedures set forth in this document are intended to provide graduate students with a formal channel of appeal and redress of grievances arising out of their academic and/or employment relationship with the university.

(B) Procedures.

(1) Any graduate student who believes that they have valid grounds for a complaint shall attempt to resolve the problem through a conference with the faculty member involved, the department head, and/or the graduate advisor. Following that, the student may attempt to resolve the problem with the assistance of the academic dean. A graduate student presenting a case to the academic dean must provide a full written statement of the grievance, together with all appropriate supporting material. When or if the problem has not been adequately
solved at that level or the student wishes to appeal that decision, the student shall prepare a written statement of the complaint setting forth clearly and specifically the allegations and shall hand deliver or email the written complaint to the dean of the graduate school. The dean of the graduate school shall notify the complainant confirming receipt of the complaint and shall request all materials from the dean of the complainant's college.

(2) The dean of the graduate school shall review the relevant materials and gather any additional information through documents or interviews to make a decision on the grievance. The burden of proof is on the graduate student to show that there has been a violation of the graduate student's rights. The dean of the graduate school shall issue a written decision on the grievance.

(3) A written appeal may be filed with the senior vice president and provost if the student does not agree with the decision of the dean of the graduate school. The senior vice president and provost will assess each case on an individual basis and their decision shall be considered final.

ACCEPTANCE AGREEMENT FOR GRADUATE ASSISTANTSHIP AT THE UNIVERSITY OF AKRON

TERMS AND CONDITIONS OF APPOINTMENT

(1) This agreement is entered into between The University of Akron, hereinafter called UNIVERSITY, and the Appointee named on page 1, subject to the approval by the Board of Trustees of the UNIVERSITY, as follows:
   a. The appointee is fully admitted to a graduate program at the UNIVERSITY.
   b. The appointee agrees that the term of this appointment is limited to the semesters/dates specified on page 1.

(2) The Appointee understands that:
   • Other employment, on a full-time basis, is prohibited during the period the assistantship is in effect;
   • Other employment, on a part-time basis at the UNIVERSITY, is prohibited during the period the assistantship is in effect;
   • The Appointee shall obtain written approval from their department chair/school director (with a copy sent to the Graduate School Dean) before accepting any part-time employment outside the UNIVERSITY, and;
   • The terms and conditions below apply to graduate students serving as Teaching (TA), Research (RA) or Administrative Graduate (AGA) Assistants. However, the Graduate School does not provide financial support for Administrative Graduate Assistants (AGA).

(3) The Appointee understands that all compensation paid is subject to local, state, and federal laws and regulation respecting withholding, or any other provisions of the law. Appointee recognizes and assumes all responsibility for complying with all applicable tax laws and regulations.

(4) The Appointee shall enroll in nine (9) graduate credits per each Fall and Spring semester (full-time graduate study at the UNIVERSITY) unless more hours are required for the degree.

(5) Appointee understands and agrees that their acceptance of an assistantship position does not qualify the Appointee for any employment fringe benefits, except as may be adopted by the Board of Trustees or required by law.

(6) Appointee understands that they do not earn vacation hours or accrue sick time. All TAs, RAs and AGAs may observe the UNIVERSITY holiday schedule when offices are closed. Appointees of academic year contracts will work while classes are in session, including exam weeks. Appointees of all other contracts will work from the start date to the end date of the contract, except for spring break. TAs, RAs and AGAs, with either an academic year contract or other dates (with prior written agreement from their supervisors) may be required to work during break weeks. Variations from this working schedule must be noted on the front of the contract in the contingencies or conditions section as a contingency. The supervisor will be required to monitor the total hours worked to be equivalent to the total hours required per week, as stated on page 1, during the semester(s).

(7) It is expressly agreed and understood that this agreement creates no expectancy of employment, other than that set forth herein, upon which Appointee may rely; and, that nothing hereunder can be counted or used by Appointee toward any system of tenure or expectancy of employment at the UNIVERSITY, even if the Appointee subsequently becomes a member of the full-time faculty or staff at the UNIVERSITY.

(8) Appointee agrees to devote their best efforts to perform such duties as are assigned faithfully, without neglect and in a diligent manner to the satisfaction of the UNIVERSITY. Appointee agrees to abide by all UNIVERSITY regulations which, may in the judgment of the UNIVERSITY, affect the duties performed by the Appointee.

(9) Appointee understands that Ohio law now requires that all graduate students appointed as TAs be assessed for oral English proficiency. Students for whom English is the first language are assessed by departmental procedures. Students for whom English is a second language must submit the internet based TOEFL before being approved as teaching assistants. A score of 23 or higher is required, on the speaking portion, to be appointed as a TA (or a 7 on the IELTS or High Pass on the U-ADEPT). Proof of oral English proficiency is not required for RAs or AGAs; admissions English proficiency requirements satisfy the proficiency for these latter positions.

(10) Appointee shall provide the UNIVERSITY with all information required by the United States Immigration and Naturalization Service for employment eligibility verification (Form I-9).

(11) This Agreement/Appointment shall remain in effect for the specified period, unless:
   a. Appointee fails to perform services satisfactorily or violates laws or UNIVERSITY regulations which, in the judgment of UNIVERSITY affect duties or services performed by the Appointee, or
   b. Appointee fails to maintain good academic standing (3.00 minimum grade point average), or
   c. Appointee violates the provisions of this Agreement and Appointment, or
   d. UNIVERSITY funds become unavailable for support of graduate assistants, or
   e. Appointee graduates with the degree for which appointment was intended, or
   f. Appointee accumulates two years of Academic Affairs stipend and/or Graduate School tuition remission funding for master’s students, five years of funding for doctoral students, or five years of TA funding for master’s-doctoral students. No student should expect to receive funding for an assistantship at the end from Academic Affairs or assistantship tuition remission from the Graduate School for more than five years, or
   g. Appointee materially breaches any provision or requirement of this contract as determined by the University.

TERMS AND CONDITIONS OF TUITION REMISSION
The University of Akron shall provide tuition remission and non-resident surcharge, for up to the amount or number of credits stated on the contract during each semester of the award period. Tuition remission is not provided for audit, undergraduate courses, graduate courses not required for the graduate degree or repeated graduate courses, all associated fees, or payment of fees at another University.

Repayment of Graduate Tuition Remission upon Resignation/Termination pursuant to University Rule 3359-60-06.6:

1. The TA, RA or AGA is **NOT** required to repay any tuition remission if they withdraw from all classes at the time of resignation.

2. The TA, RA or AGA **IS** required to repay the tuition remission if they do not withdraw from courses and continue enrollment after resignation. The repayment amount is based upon Census date as follows:

   **Prior to Census date:** The student is required to repay the tuition remission, in full. **After the Census date:** The student is required to repay the tuition remission based on a percentage of the number of weeks remaining in the semester.

   **Example:**
   If the student resigns in the ninth week of a 16-week semester, the repayment will be 7/16 or 44% of the tuition required in that semester.

   **Important Stipulations:** If the Assistantship Recipient drops below the minimum required graduate credits at any time during the contract period for services, the assistantship is forfeited. Repayment of the tuition will use the same Census date approach outlined for resignation repayment. No refunds will be made to any student for tuition paid for terms prior to the beginning of the assistantship.

**IMPORTANT:**

1. Assistantships (stipend and/or tuition remission) will not be awarded after the 14th day of any semester.

2. Assistantships (stipend and/or tuition remission) will be immediately terminated should the student fall below full-time status (generally 9 graduate credit hours for any fall/spring semester). Students are eligible to be considered for an assistantship for subsequent contract periods.

3. Assistantships (stipend and/or tuition remission) terminate at the end of the semester or contract period (whichever is earliest) for which the graduate degree is conferred.

4. Assistantships (TA and RA stipend and/or tuition remission) should be expected to terminate upon the accumulation of two years of funding for master’s students, five years of funding for doctoral students, and five years of funding for master’s/doctoral students.

5. Assistantship recipients must adhere to University’s Refund Dates - Refer to the Registrars’ Office [http://www.uakron.edu/registrar/](http://www.uakron.edu/registrar/).

6. The misuse of the Graduate Assistantship program may result in the denial of future assistantships. The Graduate School retains the exclusive right to award or deny the tuition remission for assistantships.
