CAUTION: This email originated from outside of The University of Akron.

Jaret,

Since we are working primarily off campus this semester, an email trail is usually acceptable in lieu of a physical signature. Please use this email as evidence of my approval.
Should any issues arise, do not hesitate to get back to me.
Most importantly, best of luck in your future career.

Subject: Jaret Helminski Honors Project Signatures Request

Good Morning,

I am writing this email to request your signatures on the final report signatures for my honors research project. I have attached a pdf for the signatures as well as the final report for you to read. If there are any questions please let me know. Thank you for your time.

Regards,

Jaret Helminski (4172625)

Computer Engineering Student

University of Akron
